| Free fall height: | m |
| Max. number of users: | Not specified |
| Fall zone: EN 1177 | null |
| Certificate of Compliance: | ČSN EN 1176-1 ed.2 +A1:2024 |

Material

Tarpaulin - rubber coated polyester mesh

Finish

Description

The sandpit tarpaulin cover is made from rubber coated polyester mesh, which is UV resistant. The edge is supplied with eyelets, which ensures easy stretching of the tarpaulin. It keeps away cats, dogs and birds and protects the sandpit from coarse debris and fallen leaves.
