# Chain Swing Nest with slide RH6180KB - Blue (1m)

Product type RH-6180KB-10

### **Basic information**

Age category 2 - 15 years

Minimum area 8,32 m x 7,75 m

Equipment measurements 5,32 m x 2,96 m x 1,81 m

Free fall height: 1 m
Load capacity: 486 kg
Max. number of users: 9
Fall zone: EN 1177 null
Designation: exterior
Availability of spare parts: supplied by the

#### Material

Metal parts - structural steel Slide - fiberglass

Certificate of Compliance:

Plastic parts - HDPE Platform - HPL

Suspension ropes NEST - polypropylene with inner steel

ČSN EN 1176 - 1, 2, 3

core

Rope seat RUN - high-strength fiber polypropylene

#### **Finish**

Duplex powder coated with coat curing Hot-dip galvanizing

## Description

The load-bearing structure of the double-shaft is made of structural steel, which is protected against corrosion by zinc coating, which results in a very significant extension of the life of the play element or duplex powder coated with coat curing according to RAL to prevent corrosion. These structures are embedded in a concrete bed. All other metallic elements are also zinc coated or duplex powder coated with coat curing according to RAL to prevent corrosion.

The slide is made of fiberglass. The chute front is made of high-quality HDPE (high-pressure, full-colored polyethylene, which is characterized by high color stability, UV resistance and especially safety because it is brittle and there is no risk of injury to children by sharp debris). The "Nest" seat is made of high-strength fiber polypropylene rope. The suspension ropes are made of HERKULES (16 mm polypropylene rope with internal steel core). The platform is made from HPL (High-pressure laminate, which is characterised by high colour stability and water resistance). All fasteners are galvanized or stainless steel.

# **Equipment**

1 seat "nest" (diameter 1 m), 1x slide, 1x metal beam (galvanized), 1x ladder outlet with metal treads. There are three color options to choose from - brown, blue and red and four color variations - blue, red, green and yellow.
